Medication Policy
Camp Cheval does not have medically trained staff and will not administer medication without written permission from the parent or legal guardian. If your child requires medication during program hours, then the following will be required:

The person registering the child for the program should supply all necessary medication along with written instructions on the Medication Form provided by the Cheval Athletic Club as to the quantity of dosage, time/frequency of administration, how administered, name and phone number of the doctor, reason for medication and any other considerations related to the medication or illness.

Prescription medication should be in the original container with the name of the child, directions, amount of dosage, frequency of dosage, date, and the name of the medication, doctor’s name and telephone. Nonprescription medicine should be labeled with the child’s name, in the original container, and administered per manufacturer’s recommendation on the label.

A record will be kept for the program session that will include the following information recorded in ink:

A record of the medication administered will be sent home with any remaining medication in the original container with the authorized person signing the child out at the end of the week’s session. All medications and forms should be brought directly to the Summer Program Director or Assistant Director when dropping off your child on the first day of the session. Unused medication will be returned to parents at the end of each session.

Emergencies
Camp Cheval staff will treat routine cuts, scrapes, and bumps. If the injury is more serious, we will take immediate steps to secure medical treatment while making every effort to contact you or the contacts listed on the program registration. Your signed authorization on the program registration allows us to secure prompt treatment. Should there be any changes in the emergency contact names or phone numbers, please notify us immediately and update the registration.

Illness
Camp Cheval cannot provide care for sick children. A child who is sick before camp begins should be kept home for his/her sake and that of others. If a child has any sign of illness or fever, the parent will be called to pick up the child. If a child has no overt symptoms of illness, but displays significant behavior changes and is clearly uncomfortable and not able to participate in activities, a parent will be called to pick up the child. If a parent cannot be reached, the staff will call the emergency number listed on the health form. There are no refunds for days missed due to illness. If your child has a contagious condition (i.e. pinkeye, lice, fever, rash, etc.) they will not be admitted to the program and if discovered during the program day, you will be required to pick up the child immediately.

What to Bring

ALL packed in a lunch box:
- Lunch (preferably non perishable) no refrigeration available.
- 3-4 drinks, fruit juice and water encouraged
- Healthy afternoon snack
- Water bottle
- Swim bag packed with a towel and swimsuit, clearly labeled
- Sunscreen

PLEASE MARK EVERY ITEM WITH YOUR CHILD’S NAME

Sunscreen
Camp Cheval does not provide sunscreen. Parents should apply sunscreen on the child before sending the child in the morning. Sunscreen breaks will be taken periodically. Children will apply sunscreen to themselves using their own sunscreen. As a last resort, staff may apply sunscreen, using the “bathing suit rule” which means that they will apply only to areas that would not be covered by a one-piece swimsuit.
What “Not” to Bring

While we understand the importance of staying “connected” with each other, cell phones, iPods, iPads, handheld games and other electronic devices are not permitted at Camp Cheval, unless your camper is participating in a specialty camp. If a child does bring these items, they will be collected at the start of the camp day and given back at the time of sign out.

What to Wear

Each Cheval camper will receive a camp shirt for each week registered. These shirts must be worn on field trip days. Also, please make sure your child is in cool, comfortable clothing with close-toed shoes (no flip flops are permitted).

What “Not” to Wear
- Halter tops
- Jeans
- Black colored clothing
- Expensive clothing
- Items that promote tobacco, alcohol, vulgar slogans, or innuendoes
- Dangle jewelry
- Two piece swimsuits
- Open toe shoes, flip flops or shoes with wheels (e.g. Heelys)

Parents, please help us enforce these rules. They have been carefully reviewed for both safety of all program participants and staff as well as to ensure the involvement of all the children in the program activities without distractions.

Parent Responsibilities

Evaluations
We need your comments, input and ideas on how to make our summer programs better to serve you and your child(ren). Evaluation forms will be sent via email during the summer. Please take time to fill out the form and return it promptly. This allows us to make necessary changes in the program and to recognize staff that are providing outstanding service to you and your family throughout the summer. You may receive a periodic phone call from the director to get your input on a more specific area of concern. Please feel free to share any suggestions you might have.

Lost Articles
Camp Cheval is not responsible for lost or stolen items from the premises, parking lots, or program activity areas. We strongly advise against your child bringing articles of value to the program. Label everything! It will minimize confusion in the event something does get lost. There will be a designated lost and found area in the program area. Please check the lost and found daily in the morning at sign in if your child is missing something. Unclaimed items will be donated to charity at the end of each week.

One of the goals for each camper is to encourage independence. Each camper will be responsible for his/her own belongings. Cheval will not be responsible for lost items. Personal items such as towels, suits, socks, and goggles should be kept together in his/her own bag. Tracking down lost items will be the responsibility of the camper. Please label your child’s camp supplies. The following items should NOT be brought to camp: electronic devices, jewelry, electronic toy, toy guns or weapons, and baseball cards or other collectibles. The Lost and Found bin is located at the sign out during the afternoon pick up. Please have your camper check it for lost articles. All items left in the lost and found at end of the week will be donated to charity.

Behavior and Discipline
Camp Cheval staff are trained in what is known as a progressive approach to discipline. This approach is designed to understand the motivation of the child, encourage positive behavior and responsibility for their own behavior, with the purpose of keeping all children physically and emotionally safe. To help us form a positive “team” approach between parents and counselors, we are asking that you please review the following behavior guidelines with your camper. These guidelines have been set to ensure that everyone has a safe and fun camp experience.
Campers are responsible for his/her own behavior. If your camper is having difficulty with another camper, contact a counselor and let them help you solve the problem. Any acts of aggression, either provoked or otherwise, will result in a camp suspension. Each camper is expected to respect direction from counselors the first time. Each camper is expected to use appropriate language at all times.

Children will be given basic rules of safety and good conduct for their program. The progressive discipline steps we use for guidance are as follows at the discretion of the staff involved:
1. Verbal Warning
2. Removed from Activity/Redirection
3. A written incident report
4. Parent Conference with possible program suspension
5. If a child is determined to be a threat to the safety of other children, self, or staff, or is disruptive to the program, the child will be immediately removed from the program and parents will be called to pick up the child. This may result in the child being terminated from the program after a review of the circumstances. If a child is terminated a refund will NOT be provided.

While Camp Cheval is open to everyone, we reserve the right to refuse anyone the use of our facilities or participation in our programs.

**Drop Off and Pick Up Procedures**

For your convenience, we have a “drive thru” drop off and pick up system. This will allow a fast and easy way to get in and out of the AC parking lot each day. Please see the map below that will explain the flow of traffic during drop off (7am-9am) and pick up (4:30pm-6:30pm) times. Please note, if we are experiencing inclement weather, all drop offs and pick-ups will occur inside.

At the time of registration, you will receive a camper pick up card. This card is to be displayed in your front windshield to expedite the pick up process. Please make sure you request more pick up cards to accommodate the number of people picking up your camper.

No one else, including family members, are considered authorized persons. Please add or delete names from the list as needed by updating the registration form at the program office. Children may not sign themselves in or out of the program.

Please have your government issued photo identification and show it to our staff each time you come for your child to sign them out of the program. Please inform the other authorized persons as well.

**Specialty Camp Sign In/Out**

If your camper is participating only in our half-day camps, sign in and sign out will take place at the program area unless otherwise noted.

**Arriving Early**

All full day programs begin with supervision at 7:00 am. Participants properly prepare for the day without interruption from early arrivals. Staff will be ready to greet your child promptly at 7:00am.

**Early Pick Up and Late Arrivals**

We encourage you to leave your child for the complete program each day so he / she will not miss out on activities and awards earned that day. Please come inside to the front desk if you are signing in your child after 9:00am or signing out your child before 4:00pm.

**Late Pick Up**

In fairness to our staff and because of subsequent program demands, it is very important that your child is picked up on time. Late fees will be assessed for pickups after the end of the day. The late fee is payable at the time you arrive to pick up your child. Your account will be charged for payment. There will be a late fee of $2 per minute after 6:30pm.

**Inclement Weather**

If thunderstorms are present, activities will be moved indoors until it is safe to return outdoors.
